

Please don't allow the softening of Indiana's Do Not Call list! I have really enjoyed not having to answer a phone call from whoever wants to harass me with offers or requests.

I have a phone for MY convenience, not for any company to call whenever they want offering things that I don't want! When they start paying the bill, they can call whenever they want.

If this softening takes place, I will be really temped to go to a cell phone only to avoid these calls.
